1953-54 ...	1,50,000	6,600	1,23,960	15,060

* Includes allotment for award of Depressed Class Scholarships to girls in Middle Schools also.

(*c*) As soon as the award lists are sent to the Heads of the Colleges and High Schools, scholarships will be drawn and disbursed by the Heads of Colleges and High Schools. The dates on which scholarship amounts were disbursed in each of the Colleges and High Schools are not readily available.

Bhadra Project (Amenities to workers).

Q.—845. **Sri S. GOPALA GOWDA** (Sagar-Hosanagar).—

Will the Government be pleased to state :—

(*a*) the extent and nature of works carried on under (i) Amani system and (ii) contract system—in the Bhadra Project (Lakkavalli) ;

(*b*) the number of workers engaged under the Amani system ;

(*c*) the cost and particulars of establishment in the Bhadra Project per month ;

(*d*) what are amenities like housing, medical aid, sanitation, provision supply, education and care of children provided to (i) workers and (ii) the staff ;

(*e*) whether they are aware of the outbreak of cholera in the project area?

A.—**Sri Kadidal MANJAPPA** (Minister for Revenue and Public Works).—

(*a*) (i) *Amani System.*—About 20 per cent of the works like the construction of masonry of the dam, baling out water from foundations of the dam, blasting operations, smithy, maintenance of mortar mills, workshop, lorries, etc., collection of rubble from one quarry and portions of jungle clearing.

(ii) *Contract system (Piece-work).*—About 80 per cent of the work, such as collection of all the material for the dam and roads, except for rubble stone and broken metal from one quarry, manufacture and supply of mortar at the dam site, construction of roads and buildings, clearance of jungle, excavation of foundations for the dam, excavation of channels and masonry works along the channel.

(*b*) Varies from about 600 to 3,000.

(*c*) A statement is appended.

(*d*) About 400 workers and all the staff except those that have come recently for the new Divisions are provided with houses by the Department. The rest of the workers have built their own houses.

Medical aid, sanitation and education are being taken care of both in respect of workers and of staff by the Combined Dispensary with Health Unit, and the Combined Primary and Middle School, respectively, opened in the colony by the Department. For those attending High Schools and College a departmental van is being run from the colony to Shimoga and back.
